Bishopric Wall Board

is better than lath and plaster, saves 40 per cent. in construction, renders 100 per cent. in service. Any weather is good building weather when you use Bishopric Wall Board and Sheathing. Bishopric Roofing is self-protecting and requires no paint.

It beats all other kinds of roofing that's made. And those who have tried it all seem to agree. It drives everything else away into the shade. Of the elm or the old pine tree.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

About \$3,000 worth of maple syrup was shipped from South Londonderry in one day recently.

St. Michael's Episcopal church of Brattleboro is to have a memorial window, given by David Willard in memory of his father and mother, old-time residents of Brattleboro and members of the Episcopal parish.

April prisoners at the house of correction, Rutland, numbered twelve, a big advance over the preceding month. I there were seven commitments. Commitments to the Rutland county jail numbered thirty-eight.

In hurrying to get out to a hen coop, where there was a commotion, George Bacon hurried from the back door of his home in Springfield and stepped into the glass top of his hotbed, cutting a gash about three inches long in his right foot.

A captive balloon, admitted as the only "safe and sane" aeronautic sport, has been booked to appear at the Rutland fair by the management of that association, a huge gas bag having been secured from the Carl E. Myers balloon farm. The fair officers have been wanting an exhibition of this sort for the past five years but it is the first time Captain Myers could be secured.

Four Richford boys were fined \$5 and costs, amounting to \$10.14 in each case, charged with breach of the peace. It is alleged the boys took out the hose cart, tipping it over and scattering the firemen's hats and coats in the street. This happened May 1 at 9:15 p. m., when the curfew was ringing, with the evident determination to give the people a fire scare or to defy the police. The costs of the trial were paid, but the fines were suspended during good behavior.

Fifteen or more pieces of silverware, stolen from the house of George L. Dunham in Brattleboro, Saturday night, were found along the Connecticut river by Mrs. W. H. Thomas, who lives on the New Hampshire shore, and a little girl. The articles found were all plated, and the solid silver having been thrown away. Mr. Dunham, in a motor boat, went up the river, and found several pieces, all marked with the family initials.

TRY FREE TRADE.
TAFT SUGGESTS

Proposes It in Discussing Necessity of Party to Promote Efficient Legislation.

New Haven, May 7.—"If we are to have free trade, let's have it," said former President William Howard Taft. In the second of his lectures on questions of modern government, at the university, "Let the party that favors it vote for it. Let's try it."

His statement was incidental to a discussion of the necessity of the political party to efficient legislation.

The three objects of "the new school of political thinkers who style themselves Progressives," said Prof. Taft, "are to prevent corruption of government by corruption interests, to create an equality of opportunity for all men and to equalize property holdings to some degree. Persons who do not concur with this school in the exact method of arriving at the true purpose of popular government, which is to make for the happiness of all the people, are called reactionaries."

"Those of us who fall in this category must be content but we must never cease fighting."

Prof. Taft expressed the belief that the sentiment for radical changes in the method of government would recede and that the result would be a happy medium between the old method and the new.

To the Citizens of Barre!

Under sections 7 and 9, chapter XXXIX, city ordinances, a general cleanup of all rubbish, tin cans, flint and objectionable material must be made by tenants or property owners before May 15.

All cellars must be clean and free from filth and animal or vegetable matter by May 15.

On May 15, each alderman will inspect his ward, and all failures to comply with this order will be dealt with as the law directs.

John H. Woodruff,
Secretary Board of Health.
